BLOKE GIVES CROC HEAD!

...and it all ends in tears

WHAT'S the first thing your mum taught ya? Well, besides don't drink from unmarked bottles and beware of LOOSE WOMEN.

Was it was don't stick your head in a crocodile's mouth, by any chance?

This zookeeper on the Thai island of Koh Samui obviously never listened to his dear old mum, 'cos that's EXACTLY what he did.

He was halfway through his routine with his leathery so-called pal, just getting to the head-in-mouth bit, when Chompy there decided to go off script.

Instead of them sharing a nice moment, then finishing with a Beyonce song, the croc bit down hard and gave the keeper a big SKULL SHAKE.

It didn't kill the fella, but we bet he needed a few Panadol the next day.

So the moral of this story is: listen to your mum. And crocodiles are sneaky pricks. ■ Picture

NEW TITS ON THE BLOCK

Beth WISH

One dangerously well-stacked woman, taking on the world

PARDON us for stating the bloody obvious, but jeez they're big. Enormous, even. No doubt about it, Pommy gal Beth Lily has the goods in the gazonga department, and she has used them to her considerable financial advantage over the past few years.

Ya can't blame her for that. Dance with who brung ya, as the good Lord says.

Beth has certainly played to her

WHAT WILL SHE DO NEXT?

STRAIGHT OUTTA ESSEX!

strengths in her modelling career, which started about four years ago when she was just a wide-eyed 18-year-old with big dreams, and even bigger tits. STRAIGHT OUTTA ESSEX, as the rappers would say.

Pretty soon she had us so bedazzled with her blindingly beaut BOOBERELLAS we hardly even noticed that she never flashed so much as a HINT of minge, and, only VERY, VERY occasionally, the briefest, tiniest, glimmer of BUMCRACK.

You might say she played it all VERY CLOSE TO HER CHEST, har har har.

Now we understand she's been spending time in the USA and other foreign joints, shooting ARTY, SEMI-NUDE pics which she posts to her Twitter account @bethanylilya.

Still no minge, and only VERY, VERY occasionally, the briefest, tiniest, glimmer of BUMCRACK.

You'll be fucken overjoyed to learn, though, that she still has HUGE FUCKEN TITS.

So thank fuck for that, eh.

EXTRA! EXTRA! READ ALL ABOUT TIT!

MIAMI!

It's a long way from Kiev to Miami, but we're sure glad Ukrainian fashion model Tetyana Veryovkina bought that bus ticket. Pity she forgot her bikini top, but.

ROTTERDAM!

How did Kim Davon, from the Phillipines, end up in a carpark in Holland? Fuck knows, but at least she had the good sense to get her tits out when she got there.

ARIZONA!

Seppo glamour model Gillian Barnes still lives in her home town of Phoenix, and loves to tan her ta-tas in the desert sun. They'd go well with a beer, eh.

POLAND!

From Kalisz, in Poland, Eva Wyrwal has been a model, an actress and a dance show contestant. But we always remember her for having great norks.

LONDON!

Part Brit, part Jap and all hornbag, porn star Tigerr Benson needs to keep her strength up for work. Hence the strawberry jam and chocolate combo.

CYPRUS!

Hidden away behind those massive chesticles is Pommy reality TV star Jemma Lucy. Apparently. We haven't looked past her tits, to be honest.

IMM PICTURES

NATUR
SELECTIO

All-organic goodness – no artificia

KATERINA

Czech model Katerina Hartlova only ever appeared in pornos with her boyfriend. There were just the four of them – him, Katerina, and her two enormous G-cup JINDABYNES.

MAIBLE

Raised on generous helpings of chicken Kiev, Ukrainian model Maible's organically grown double-Ds are a testament to the nutritional benefits of her mum's home-cooking.

AL

BIG NATURAL BAPS!

TESSA

We have to ask – how does she do it? With her all-natural H-cup hooters, and being only 1.55m tall, how the hell does Seppo model Tessa Fowler even STAND UP? We are amazed.

LUCY LI

Czech stunner Lucy has made many friends in her five years in porn, and all her co-stars have remarked on what a genuine person she is. And that includes her TITS.

LENA

Lena Paul's F-cup flim-flams are as natural as bubbles in beer, and just as tasty. And the 24-year-old mattress actress keeps the theme going with her untamed bush. Good for her!

BIG NATURAL BAPS!

LUCY C

Her G-cup jub-jubs were declared national treasures in the Czech Republic and items of immense cultural importance. For the rest of us they're just, y'know, IMMENSE.

MASERATI

Maserati, a webcam model and porn star from Kingston, Jamaica, has norks so big they can't be measured by the usual methods, but authorities have declared them a danger to your cock's health.

NEWS FLASH

THIS SHIT REALLY HAPPENED!

HELP! OUR DOG'S A BEAR!

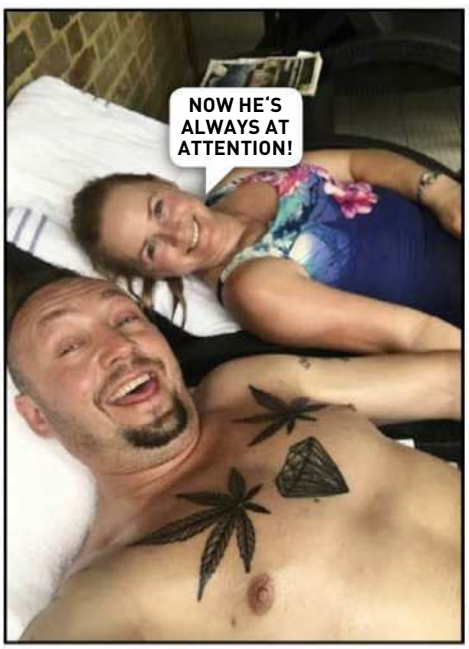
ONLY in China, eh. A family in Kunming, Yannan Province, reckon they were sold a PUP when the PUPPY they bought turned out to be a BEAR. They thought they were getting a Tibetan Mastiff, but instead found themselves living with an Asiatic black bear. They were a bit suss when it ate fruit and noodles and chunked up to a BEEFY 113kg. Then, when it began walking on its hind legs, they twigged that something was AMISS. It only took them TWO YEARS. The bear/dog is now being cared for at the Yunnan Wildlife Rescue Centre.

SIGNORA TRUMPO?

IS THIS Donald Trump's LONG LOST SISTER? Dolores Antelo lives on a farm in Cabana de Bergantiños, Spain, and doesn't have a computer or a phone, let alone her own skyscraper or a NUCLEAR ARSENAL. But ever since a photog from local rag Faro de Vigo took this look-alike snap, speculation has been FUCKEN RIFE that she's a CLOSE RELLO of The Donald. We're staying out of it, but they definitely both seem to like HOES!

TEN-HUT!

GETTING a chunk of his his dick BLOWN OFF could be the best thing that ever happened to pommy army bloke Robert Schiewy. Bob's old fella was mangled in an explosion in 1998, and even after a few ops it didn't work like it should. So Bob tried a radical new treatment involving having PLASMA injections in his SHAFT (ouch!) and now he reckons he's good to go. "I'm having the best sex ever!" he said. "But by far the best result is that my penis has grown 1.5 inches (3.8cm) in length, taking it up to 7.5 inches (19cm)." Woo-hoo! Go Bob!



BLOW ME

FLESH-melting lava and deadly sulphur dioxide gas aside, these blokes were having a really great time getting in a sly 18 holes at the Volcano Golf and Country Club on Hawaii's Big Island. They played on as everyone's favourite active volcano Mount Kilauea CHUCKED ITS GUTS UP in the background. The ensuing rivers of MOLTEN SHIT munched houses, highways and any stray PINEAPPLES in its path, but the brave golf nuts drove, WEDGED and putted their way around the course, regardless. They even snuck in a few DO-OVERS.

BLINGLY DAVIDSON

A DIAMOND-studded Harley is now the priciest motorcycle in the WORLD. The reworked HD Softail Slim S was tricked out by Swiss jewellers Bucherer with 360 diamonds, totalling 33 carats. Oh, and some beaut blue paint. The one-off is worth 0z $2.48m. BRRRRM!

SICK PUPPY

AN ANCIENT breed of war dog has been revived in the US, giving rise to this nine-month-old, PUPPY FROM HELL. Euphrates, as she's called, is already 80cms high at the shoulder and 82kg. She'll be a big 'un when she grows up, we reckon! The planet-sized pup is an attempt to bring back the Mesopotamian Molossus, a breed that was used as a DOG OF WAR 7,000 years ago. Woof!

WE DREW A COCK ON IT

FEED MEEE!

Mega-gutted gal gives blokes big chubbies

SUPER-sized Seppo chick Gayla Neufeld is using her 2.4m gut to earn a squillion as a webcam model.

And that's OK with her hubby Lance, who helps out by hand-feeding Gayla her favourite tucker – ice-cream, cookies, and the occasional WHOLE ROAST OX.

Gayla, 52, who weighs in at a PLUMPISH 203kg, reckon she's given up trying to hide her TUBITUDE and now lets it ALL HANG OUT.

"Growing up I used to be ashamed of my belly but now I have a great following of men who really like it," she mumbles through mouthfuls of LARDY GRUB.

"They tell me it's the perfect belly. They love the shape of it because it is a single belly. Some larger women they have a double-layer or a two-tier belly but mine is a single. That is really attractive to a lot of men." Erm... rightio!

After being bullied in her teen years, Gayla had her breakthrough moment when she joined a web forum dedicated to FAT-BUT-FUCKABLE babes.

"I realised I was desirable, I was sexy, I was beautiful and I became confident in who I was."

It was on this forum that Gayla met studly Canadian truck driver Lance.

"I had always thought the men who liked BBWs (Big Beautiful Woman) would be geeks living in their mum's basement – but I was totall wrong."

PISSED PUB

Go on a bender without even drinking!

YOUR doctor warned you off the grog. The missus put you on booze ban after your last disgrace. But you still want that beaut wobbly-leg feeling.

This is the pub for you. Just walking into The Crooked House in Himley, near Birmingham in England, will make you feel like you've already downed half a slab.

Subsidence caused by mining in the 1800s dropped one end of the pub, built in 1765, nearly a metre, so now everyone staggers around the joint, pissed or not.

In fact, it's easy to tell the hard-core drunks, 'cos they're the only ones who walk STRAIGHT

Pub manager Dan Lewis reckons: "It can be really disorientating at first. When I first came in I didn't have a drink because I felt so dizzy."

Well, at least it's a cheap shout.

Danno reckons people come from all over the world to stand CROOKEDLY at the bar and get the head spins.

We just hope they don't have a pool table. You'd never sink a fucken ball. ■ Picture

CENTURY NOT OUT!

Gran guzzles Guinness, goes the ton

REMEMBER World War II? Hitler and that? It was in all the papers.

Well, ever since it finished 70-odd years ago, lovely old Pom Olive Netting has been necking a glass of Guinness a day.

And now she's reached 100 years of age, she reckons it's the BEAUT BLACK STUFF that got her over the line.

She even had a Guinness-themed birthday knees-up the other day to celebrate reaching her ton.

"She absolutely loves Guinness," said Olive's granddaughter Tammy. "She's had a bottle a day since the war. She refuses to go a day without drinking it. She reckons that's why she's lived for as long as she has."

Now, we're not doctors, but we reckon Olive's on the money there. Rum, whiskey, CHINESE SNAKE WINE, they're all well and good, but as the ads used to say, "Guinness Is Good For You".

And ads never lie, do they?

Anyway, on her big day, along with a telegram from the Queen, Olive received a shit-load of free gear from Guinness, and enough of the magic elixir to kick her on for a few years yet.

So bottoms up, Olive. We might just hoist a few ourselves to help ya bring it on home. ■ Picture

GREATEST TITS!

When music chick's nips take centre stage

KELLY ROWLAND

If the ex-Destiny's Child singer did this on *The Voice*, we might actually watch it! Nah, not really.

RITA ORA

How does Rita party? With her nips on high beam, that's how. She gets 'em out ANYWHERE!

DON'T get us wrong – chicks can rock as hard as blokes. It's just that sometimes they can get a little bit SCREECHY and WHINY.

It's a good thing they have their TITS to fall back on... erm... forward on... aw, YOU KNOW WHAT WE MEAN!

So when they start singing songs about their PERIODS, just yell out "Show us ya tits!" and hopefully they'll oblige, like these music legends.

BRITNEY SPEARS

Brit's had her ups and downs – from young and cute to bald and MAD – but she's still got the puppies!

JAYME LANGFORD

When she's not being a porn star, Jayme twangs geetar with Pajamaband.

LILY ALLEN

Lil the Dill hopes that by hanging one hat-peg out, no-one will notice her complete lack of talent.

JENNIFER WEIST

Jen, of Kraut band Jennifer Rostock, has so many tatts she actually thinks she's wearing clothes even when she isn't!

WENDY O. WILLIAMS

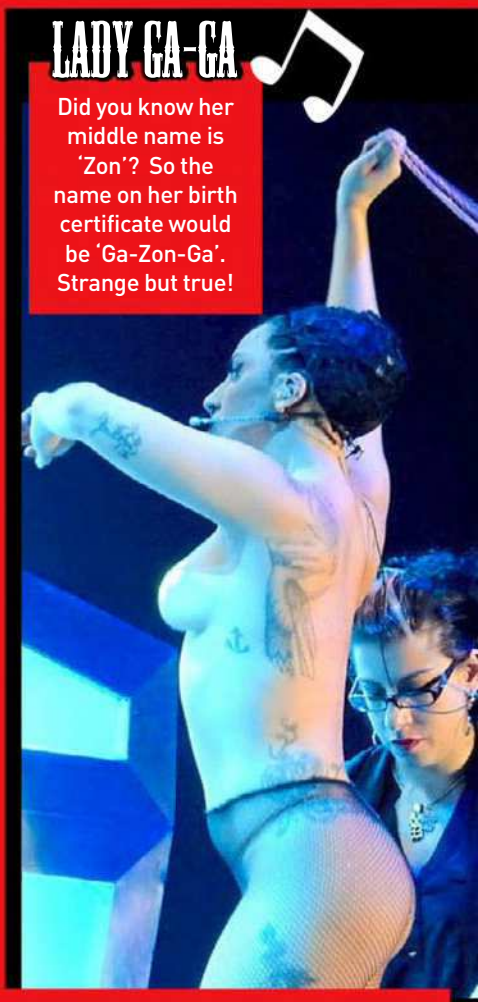
The lead singer of Seppo punk band the Plasmatics used to put leccy tape on her nipples. But there was no hiding her ace tits.

TOVE LO

Swedish songstress Tove loves to ROCK OUT with her RACK OUT. No wonder her concerts SELL OUT!

COURTNEY LOVE

Her old band was called HOLE. We're guessing Court's next group with be called SWEATY TIT AND ARMPIT.



LADY GA-GA

Did you know her middle name is 'Zon'? So the name on her birth certificate would be 'Ga-Zon-Ga'. Strange but true!

HALEY DHAL

Haley's the lead singer in an LA band called Sloppy Jane. On stage she vomits blue paint and frequently shows her minge.

NICKI MINAJ

Nicki's tits jump out of their own accord sometimes because they're jealous of all the attention her huge arse gets.

100% POLITICALLY INCORRECT!

I WENT to the doctors recently.

"Don't eat anything fatty," he told me.

"What?" I asked. "Like bacon and burgers?"

"No," he said. "Fatty, don't eat anything."

A WOMAN is walking home with her three daughters – Rose, Lily and Cinderblock.

Rose asks her mum, "Mum, why did you name me Rose?"

To which her mother replies, "Well sweetie, when we were coming home from the hospital with you a rose fell on your head!"

Lily, curious now, asks her mother, "Mum, why did you name me after a flower too?"

To which her mother replies, "Well sweetie, when we were coming home from the hospital with you a lily fell on your head!"

Cinderblock says to her mother, "Hghghdnbgh!!? Dnbgh!??!"

IAN, BRISBANE, QLD

I GOT a prostate exam the other day and the doctor told me it's normal to get an erection. So I just tried to ignore his bulge.

Q. WHY DO HIPPOS FUCK IN WATER?

A. DO YOU HAVE ANY IDEA HOW HARD IT IS TO KEEP A 30KG VAGINA MOIST?

T.A., GLENUNGA, SA

A BLOKE is sitting nervously in his doctor's office opposite the doc.

"I'm sorry but I have two pieces of bad news for you," the doctor says.

"What are they?" the bloke replies despondently.

"Well, the first piece of news is that you have cancer."

"What's the 2nd piece of news?" asks the man.

"Well, the 2nd piece of bad news is that you have Alzheimer's."

The man laughs and says, "Well, at least I don't have bloody cancer."

JOKE OF THE WEEK WINS $100

TWO deaf people got married. During the first week of marriage they discovered they were unable to communicate in the bedroom, as they couldn't use sign language once they'd turned the lights off for a root.

After several nights of fumbling around and misunderstandings, the wife decided to find a solution.

"Honey," she signed. "Why don't we agree on some simple signals? For instance, at night, if you want to have sex with me, reach over and squeeze my right breast once. And if you don't want to have sex, simply reach over and squeeze my left breast once."

The husband thought it was a great idea and signed back to his wife, "For sure! Now, if you want to have sex with me, reach over and pull on my penis once. If you don't want to have sex, reach over and pull on my penis 50 times."

T.A., SUBIACO, WA

A COP pulls over a car with two priests sitting in it. The cop steps out of his patrol car and makes his way up to the window before seeing the priests and says, "Sorry for the hassle, but we're on the search for two child molesters."

The priests look at each other for a moment and turn back to the cop and reply in unison, "OK. We'll do it."

Q. WHAT DO YOU GET WHEN YOU PUT 50 LESBIANS AND 50 POLITICIANS IN A ROOM TOGETHER?

A. ONE HUNDRED PEOPLE WHO DON'T DO DICK.

M.L., WANNEROO, WA

AN AUSSIE stockman and his wife had just got married. He'd left everything till the last minute so they found a nice hotel after their wedding and hoped to wing it.

The man approached the front desk and said, "We're on our honeymoon and we need a nice room, with a good strong bed."

The clerk winked and asked, "You want the bridal?"

The drover reflected on this for a moment and replied, "Nah, I reckon not. I'll just hold onto her ears until she gets used to it."

R.J., RYDE, NSW

Q. WHAT SHOULD YOU DO IF A BLONDE THROWS A PIN AT YOU?

A. RUN LIKE HELL! SHE'S GOT A GRENADE IN HER MOUTH!

P.E., FRANKSTON, VIC

THE PROFESSIONAL

SEPPO COMEDIAN **KURT METZGER**

"I found the girl who took my virginity on Facebook the other day... her vagina was like my first bike, you know? It was bright red and a little bit too big for me, and my dad had to hold my hips steady at first because I kept falling off of it, and I put a playing card in one of the flaps so it'd sound like a motorcycle, and eventually an older boy stole it from me."

"YOU KNOW, HUMAN BEINGS ARE THE ONLY ANIMAL IN ALL OF NATURE THAT SOMETIMES SHOVES OTHER ANIMALS UP THEIR ARSE."

"My life's not complicated. I have two towels. All I have to do is remember which one I jerk off in, and which one I use as an actual towel."

"I NEED GLASSES BUT I CAN'T WEAR THEM 'COS MY EYEBROWS ARE TOO BIG. THEY WILL GROW INTO A HEADBAND. THAT WILL HAPPEN."

"There's no way Alaska was better before we got there. There's not a chance in Hell that these fatso natives with their shit fish ice cream and snow houses were having a better time before we showed up and gave them electricity."

THE JOKE'S ON YOU

THIS WEEK: **MIDGETS**

I saw my midget neighbour on my way home today .

"Jump in," I said. "I'll give you a lift home."

"Fuck off!" he shouted back.

"What an ungrateful little cunt", I thought as I zipped up my backpack and continued my walk home.

Q. WHY DO MIDGETS ALWAYS LAUGH WHEN PLAYING SOCCER?
A. THE GRASS TICKLES THEIR BALLS!

There's a midget who owes me money. Whenever I ask him about it, he always claims to be a little short.

Q. WHAT DO YOU CALL IT WHEN TWO TRANSGENDER MIDGETS HAVE SEX?
A. MICRO TRANS-ACTION

I rear ended a midget with my car today. He got out and said "I amm not happy." So I asked, "Well, which dwarf are you, then?"

Q. WHAT DO YOU CALL A MIDGET WITH 3 LEGS?
A. HORNY.

Then I remembered – she's married to the leader of the free world! Dead set, I thought it was Melania Trump. Go on, tell me they couldn't be sisters.

M.K., WERRIBEE, VIC

MUNGO SAYS: Perusing – that's a good word. Does that mean wanking? Never mind, I don't wanna know. Yeah, Kardina looks a bit like Mel, only a lot happier. Weird thing about Mel, she always looks pissed off. How could that be? I bet she gets free beer and footy tickets. Yeah, I suppose they could be sisters. How horny would that be?

MUNGO'S SHOUT

You can say what you like about dogs – they shit and piss everywhere, they'll hump ya leg given a chance, they give ya fleas – but at least they're not people who ring you up at home and try and sell you shit.

Christ, I hate those cunts.

These days I figure anyone who starts a conversation by saying good evening and calling me mister is gunna be a liability and bound to cost me a packet if I spend anything more than nine or ten seconds on the line.

So once you've worked out that the fucker is gunna try and flog you something, you've got about four or five seconds to spew up every bit of sick shit you've ever heard in the soundtrack of a German porno at the bastard, and maybe a bit about his mum. Then blow an air horn and hit the kill button.

It's all part of the game, eh. They ring you up mid-sandwich, you get annoyed, and then they wonder why you don't wanna buy a second hand llama for less than the going rate. Jab, spar, jab.

But I suppose I should be grateful. Screaming fucken vile abuse at some cunt down the phone gets the heart rate up better than a 10 minute jog, and it's not so hard on the knees.

So bring it on, cunts. It only makes me stronger.

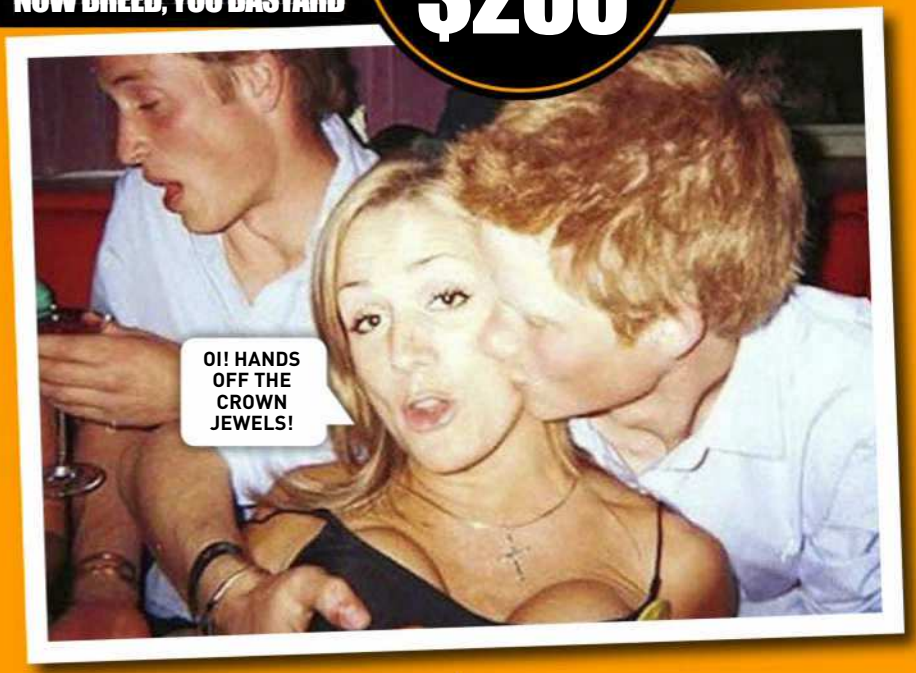
NOW BREED, YOU BASTARD



MUNGO, I take it you scored an invo to the royal wedding. I think I even saw you in the church on teev. So how was it? Did ya get a piece of cake? Root a bridesmaid? Duck outside during the speeches to blow a doobie with the guy who was parking the cars? Giz the goss, mate.

L.H., ULLADULLA, NSW

MUNGO SAYS: The wedding? Nah. Wouldn't of gone anyway. Frozen spring rolls. Cask chardonnay. Fuck off. But the buck's night – you bet! In fact, I organised the whole thing. Strippers. Bit of goey. Stretch limo with full bar. Dunno how Harry got home. Last I saw of him he was gaffer-taped to the back of a bus, fucken BLOIND.

WHO KERRS?

MY PICK for look-alike of the week from #1457 is Homie Becky and Miranda Kerr. If Muzza can marry a billionaire, I don't see why Becky can't. She's just as spunky.

R.H., COMO NSW

MUNGO SAYS: Too right. And probably less expensive to run. I'm thinking Miranda doesn't shop at K-Mart and drink RTDs. I bet all her pizzas have the gourmet toppings. They get picky after a while, and the next thing you know the special supreme isn't good enough and you've got to go for satay chicken, which is just not natural on a pizza. Yeah, once they go up-market they're never satisfied.

MUNGO WANTS TO KNOW...

If you see someone standing on the street looking up into the sky, why WOULDN'T ya go and stand next to them and look up to?

SICK PICS

YOU WON'T BELIEVE YOUR EYES

UP 'N' OVER!

SEPPO revhead Rick Sullivan flew by the seat of his oily pants when he built this upside-down Ford pick-up truck.

The panel-beater from Clinton, in Illinois, USA, inspired by a wreck brought into his shop, set about building his ARSE-OVER-TIT dream machine from scratch.

"There was no blueprint – I just started buying parts and putting it together," he reckons.

It's basically a 1991 Ford Ranger pick-up with an upside-down 1995 Ford F-150 body over the top.

The number plate reads FLIPOVR, and it's completely street legal.

So that's that – America is officially GREAT AGAIN!

TALKING DIRTY
WITH TRINITY

100% uncensored sex advice from Australia's hottest stripper!

EASY COME, EASY THROW

HEY BABE, I absolutely love sucking my husband's dick. I've been doing it for years and have always swallowed. But recently after I swallow I've been feeling ill. Hubby hasn't changed his diet, so I'm wondering if I've become allergic to semen? Have you heard of this before?

GALE, PARRAMATTA, NSW

***TRINITY SAYS:** Yes, absolutely! It happened to me a little while ago. But don't panic, it's only a phase (well, it was for me). A change of chemical and hormone balance in either him or yourself can affect the taste and flavour of jizz. Although both of you should get an all over check-up, just to be sure.*

A REAR-END TREND

G'DAY Trin, I'm an older gent and not all that hip with the new fads. But I've noticed that young people seem to be talking about 'eating ass' a lot more than they did in my day. Is this just a euphemism or is tonguing bungholes a cool new trend?

S.P., KYEEMA, SA

***TRINITY SAYS:** Babe, it's been a big thing for a long time now. It's nothing new. Perhaps your kink level has just been low for so long. These days people are far more open about doing and talking about these things.*

"SHE GRABBED THE DILDO AND TRIED TO FUCK ME"

PUSSY POPPIN'

WHAT'S the weirdest thing you've ever put in your pussy? My mate reckons he put pop rocks in a chick's snatch once and she bloody loved it! Said the sensation of all the popping candy felt awesome. You ever done that?

S.B., PARKWOOD, WA

***TRINITY SAYS:** That sounds amazing! I'm definitely going to give that a try. The weirdest thing I can remember putting in my pussy was this one time when my girlfriend and I were super drunk one night and she grabbed the dildo on the bed and tried to fuck me, but I was like umm, babe, that's the remote!*

BUMMER!

TRIN, I've got a new girlfriend and we're keen to give anal a crack. Only thing is, I can't seem to get my cock in her arsehole. We've used heaps of lube but I just can't stick it in. I don't know if she's too tight or I'm too big, but it's not working. Can you give us some advice?

PHIL, GREEN VALLEY, NSW

***TRINITY SAYS:** Butt plugs and anal tapered stretchers! You can get them from any good adult store, or online. Work it up and stretch it out over time and you'll get the big gaping hole you're after.*

IN WITH TRIN!

HAVE you ever rooted a guy called Sean from Rockingham in Perth? My mate reckons he fucked you a few years back, but I reckon he's full of shit. He said you gave heaps good gobbies and tried to stick a finger up his bum.

DIRTY DAVE, PERTH, WA

***TRINITY SAYS:** Hmm, doesn't ring a bell. Then again, maybe he just wasn't that memorable (no offence). If I did, it would've been over five years ago. Whether he did or didn't, at least he says he had a good time!*

TRINITY WANTS TO HEAR FROM YOU!

ROSIE'S RACK REVEALED!

Rosie makes her norks-out debut

WE'D like to introduce you to Rosie, readers. She's 24, a part-time model, and hotter than an Indian bloke's lunch.

The important thing you should know is that this is Rosie's FIRST NUDE SHOOT in a magazine EVER.

"I'm so excited about this. I really hope you all like my shots," she laughed.

Tell us about your tits, spunky.

"I'm really proud of them. Guys often ask me if they are fake, but I can guarantee they are the real thing."

Do you like it when blokes touch them?

"Yes, if I'm in the right kind of mood. They are very sensitive and like to be treated well."

Tons of fellas must ask you out.

"Not really. For some reason I don't get asked out much at all. More guys should try."

WHAT THE FUCK? Have you been hanging out with Stevie Wonder and his mates? What sort of blokes do you go for?

"I like a guy who is good with his hands. It helps if he's good looking

What's your poison?

"I like champagne for some reason. It always puts me in the most silly mood. I don't mind vodka and lemonade too."

We'll just stick to beer, thanks. What makes you crack a WIDE-ON?

"I like romance. I like candlelight and nice music. I like nice things like that. But when it comes to sex, sometimes I just need to be fucked hard."

When's the best time to play HIDE THE SAUSSO?

"When I've had a few drinks. It really gets me in the mood and frees my inhibitions and I always have a better time."

BUILDER'S SLASH

A trip to the dunny for a piss, which turns into a way bigger job than you first thought. 'Cos you suddenly have to take a dump.

MY THREESOME

READER'S ROOTS FROM AROUND OZ

GOING FOR IT

AFTER months of fantasising and talking about it, me and my girl Kim decided we needed to have threesome.

Kim was keen to have a full-on, girl-on-girl experience and have me involved, but it wasn't something you can just pull together any old time.

We weren't quite sure how to go about it, so we waited a bit until we found the right chick. And then one night at a party it happened, just like that.

She couldn't have been any different from Kim, who's an outdoorsy, blonde surfer chick.

Violetta, as she called herself, was a bit gothy, with jet black hair and heaps of make-up, but still big time sexy.

She immediately started coming on to me, and I could see Kimmy starting to get the idea that this was our big chance, so we had a quick whispered convo and invited Violetta back to our joint.

On the drive home, they both piled into the back seat and started groping and kissing, so by the time we got there Kim already had her titties popped out and her jeans unzipped to give Violetta room to finger her.

Kimbo was red in the face and started to get that "fuck me now" look, so we bundled straight upstairs to the bedroom, where Violetta got Kim to unzip her dress to reveal this horny black lingerie she was wearing.

She immediately took charge and pushed Kim down on the bed and started eating her out.

She was pretty good at it, judging by Kim's moans, and just when I thought I was a bit of a third wheel, Violetta reached over and grabbed my cock, steering me around to fuck her doggy while she gave my girlfriend expert head.

I even got to fuck Kim doggy while she and Violletta 69ed, so Violetta could lick my balls at the same time.

It all went great, and now we have threesomes with her frequently. Plus, we're always on the look-out for new chicks to join us, too.

GIRL ON A MISSION

I WAS happy for my boyfriend when we had our first threesome with another girl, but to tell the truth it didn't do it for me as much as I thought it would.

It was interesting playing with another chick, but I realised that what I was really after was a two-dick experience.

I didn't know how my boyfriend was going to take to that, so I didn't spring it on him.

He was away with some mates when I got the opportunity, and even though it was sort of cheating I thought I owed it to myself to have a go and see how I liked it without possibly buggering up our relationship.

I was with another girlfriend at a bar when two guys started chatting me up, and because my friend knew what I was hoping to do, she helped me chat them up then left me with both of them.

They looked a bit puzzled when my friend suddenly took off, but then I let it drop that I was sure I'd be able to handle the pair of them.

They both cracked big grins, and it wasn't long before I was at their place giving one a sloppy blowjob while the other one teased my clit with his tongue.

What I really wanted, though, was a cock in my pussy and one in my mouth at the same time, so I manoeuvred around until my legs were spread wide and pulled the guy who was licking me on top of me, while still sucking off his mate.

They soon worked up a rhythm where a cock would plunge into my pussy or my mouth on alternate strokes. Then they swapped over and pretty soon after that I started coming like a train.

I eventually told my boyfriend, but instead of being mad it really turned him on, so I'll let him be part of it next time.

OF ALL the threesome combos I've been in – me with two guys, me with a guy and a girl – it was my all-girl threesome that was the best.

Not that there's anything wrong with cock, but three girls who all really know how to lick smoo can really make things go well, and we were all experts.

They were two of my oldest friends and we've been playing around with each other for years. Whenever we feel like a bit of girl sex, we arrange a night in together, and get in wine, some sexy lezzo porn and go for it.

We'll crank up the central heating and sit around getting half-pissed and gradually shedding our clothes as the pornos do their work, then we just sort of figure out who does what to who as we go.

Our favourite thing, but, is the pussy-eating daisy chain where everyone has a mouthful of someone else's girl bits and we all try and make each other come at the same time.

Then, when we tongue-kiss each other, we can taste our own and the other two girls' juices all blended together, which is so hot.

Mostly we just go with fingers and tongues, but every now and then the toys come out and we get a bit experimental with some big dildos and vibrators.

It's not as good as the real thing, but, so mostly we stick with the stuff us girls are really good at, which is eating each other's pussies expertly and for hours at a time.

We haven't added to the daisy chain yet, but we've been talking about asking some other friends to join us and maybe having a four or five girl chain.

I can imagine all sorts of great combinations we could do with that.

I'll never give up dick, but multi-girl sex is a great treat now and then.

"I suck on my toy like a blowjob"

LUNA // 24

WEST END, QLD

Someone has recently been the lucky recipient of a nude selfie from 24-year-old muff owner Luna. "I sent one last night. I am flirting with this chick online, so I sent her some shots of my cute tits." ***How did she react to that?*** "She loved it. She sent one back, of course. We have been comparing toy sizes. She is winning for size, but I am winning for the times I have come. She loves when I suck on my toy like a blow job. We want to have a threesome with a guy one day, so we can watch each other get off." ***Need any volounteers?***

HOW OLD WAS YOUR OLDEST ROOT? "It was a hot dyke I met at a party. She went down on me in the host's bathroom. She asked me how old I was and told me she graduated high school the year I was born. So I think she was 18 years older than me."

$200 BEAUT BUM!

"When she went down on me it was the sexiest ever"

ROSE // 22

AUCHENFLOWER, QLD

Sex toy loving Rose, 22, still recalls her first threesome. "It was the first time I had ever gotten with a girl." ***Was it an experience you enjoyed?*** "I have to say I will never go back." ***Don't say that! What made it such a life-changer?*** "It was so sexy and heated and when she went down on me it was the sexiest thing ever. Even better was watching her eating me and getting smashed from behind at the same time." ***Now you have a taste for threesomes, do you reckon you can go to a foursome? Or a moresome?*** "Of course! It would be way too fun to miss out on. If one girl and one guy was as fun as that was, I'm sure the more the merrier." ***Prepare yourself for a whole heap of offers from eager readers with their cocks in their hands...*** **HOW OLD WAS YOUR OLDEST ROOT?** "Forty-two. I like them older. More experienced."

MERV THE PERV, LARA VIC

JENNIFER SAYS: ***"I love big black cocks because they are hypersexual. And I enjoy them very much, as they are bigger than others. Also, I love watching myself getting penetrated by a different skin colour; I tried black and I will never go back. I had an anal incident in the shower. Since then, I love it and I always ask for more and more."***

Best mates share all kinds of things. Take 21-year-old psychology student Delilah, who likes to share some ROOTS with her friend. "Sometimes my girlfriend and I enjoy having other people along for the ride, if you know what I mean." ***What is the biggest number of lucky people you've let join you?*** "So far just threesomes, but we can't wait to try more." ***Just blokes or do you have beaut all-girl threesomes, too?*** "Any combination. We just love the extra fun involved with other people." ***What does your girlfriend do in bed that turns you on?*** "Oh my god, what doesn't she do?" ***We can only imagine...***

Never boring, surely. Have you been the one making the kinky suggestions?*** "A little bit of a spank and some hair-pulling is always welcome with me." ***Where do you stand on the controversial issue of backdoor action?*** "I'm on the fence with it; never tried it and I've always said I never will. But I dunno anymore." ***What about that divisive issue: jizzing on the face?*** "As long as it is not in my eyes or hair." ***Sex in public places?*** "Maybe one day." ***Give us a heads up so we can watch.*** **HOW OLD WAS YOUR OLDEST ROOT?** "I think I slept with a 30-year-old when I was about 20 years old."

Thirty-year-old Skye reckons it is "milky, soft, smooth and wet" getting close to her naked 27-year-old mate Lorelei. ***And how does she taste?*** **Skye:** "She tastes like cherry lip gloss because I rub it on her clit before tonguing her." ***What do you like about having Skye between your thighs?*** **Lorelei:** "There's not much not to like. Sometimes you just need a girl between your thighs. No offence to guys, I love cock, but Skye really knows how to push my buttons. My fave is the feeling of her soft skin against mine when she's dominating me and telling me what to do. And I like how we can finish off each other's sentences."

HOW OLD WAS YOUR OLDEST ROOT?

Lorelei: "Late forties if I remember correctly. But I only found out after we slept together. I was really shocked because he was so fit and had a six-pack and everything. I have always had a thing for older men though."

And I've had a foursome. It felt extremely naughty and it was great to tick it off my bucket list. Another time I was in a limo with a boyfriend and he asked the driver if he minded him taking some naughty photos of me. He said, 'Do whatever you like as long as I can watch!' I ended up giving my boyfriend a blowjob whilst the driver watched!"

It's pretty much taken over my life." ***What are you getting up to?*** "Things like bondage, flogging and artistic cutting." ***The last one sounds like something you do at arts and crafts class.*** "It's like getting a tattoo, but they cut it into you with a knife. I've watched a couple take place, and I'm hoping to receive one soon." ***OUCH. What was it like dropping your knickers for a few thousand blokes?*** "It was much more fun and relaxing than I thought it would be. I had a really good time."

But whenever I am home alone, I am walking around naked." ***How do Aussie blokes compare to Estonians?*** "Estonians are very materialistic – people here are more relaxed."

"My close friends know about it, but I try to keep it out of the workplace since it's mainly male dominated." ***What makes a good naughty pic?*** "You have to feel that the model is comfortable with what they're doing. If they're uncomfortable or the smile is forced, it doesn't look great." ***What makes an ideal porn scene?*** "When you can't see any guys, ha ha! Men ruin porn for me. I'd rather see two or three women than just a man and a woman. It's also better when it doesn't have any of the fake moaning or clichés like the pizza delivery dudes getting laid." ***Pizza blokes gotta root, too!.*** **HOW OLD WAS YOUR OLDEST ROOT?** "The oldest person I've slept with was 28, eight years older than I was at the time."

WINE

01. The country with the highest consumption of wine per capita is Andorra, between France and Spain, where they guzzle an average of 76 bottles per person per year. Australians have some catching up to do, at 29 bottles.

02. Oenophobia is the fear of wines. But hardcore goonaholics are more likely to suffer from novinophobia – the fear of running out of wine.

03. The oldest bottle of wine dates back to 325 A.D. and was found in the German town of Speyer, inside a Roman sarcophagus. It tasted of dead people.

04. The average bottle of plonk contains roughly 1.2 kilos of grapes.

05. In 1965, Aussie bloke Thomas Angove invented the goon bag. Rumour has it he was sick of paying through the teeth for drinks at the footy.

06. **An EYETIE study concluded** that women who drink two glasses of wine a day are more likely to enjoy getting frisky than those who don't. Not fucken ROCKET SURGERY, eh?

07. The most expensive bottle of vino ever was a 2015 bottle of Californian cabernet sauvignon, which sold at auction for $467,000.

08. The Vikings name for North America was 'Vinland', due to the large amount of native grapes they found there when they dropped in around1000 A.D.

09. Ancient Romans mixed lead with their wine to give it a sweeter taste. Unfortunately, it also caused chronic lead poisoning throughout the Roman Empire.
